2 One row per person - Events on top

August	Mon 17	Tue 18	Wed 19	Thu 20	Fri 21	Sat 22
EVENTS	Abi off	Abi off	Abi off Matt off	Abi off Matt in 12-6	Abi off Andrew off Tyler off	Abi off Andrew off Jeremie's last shift Kieran off
Paul	A	A	Off	9:30-6:30	A	S

The Events row shows who is off and any store events for each day.

3 Letters are your shift times

Shifts A 9:30-6 · B 11-8 · S 9-5 · W 8:30-5

A, B, S or W in a cell = these standard shifts (legend sits at the bottom of the page).

An unusual time is written out in full - like the 9:30-6:30 above.

Browsing another week? A red x appears on the This week button - tap it to return.

5 Red dot = something unusual about that shift

A	B ●
---	-----

Tap the dot to see why - e.g. "Usually A (9:30-6) on Thu" or "Regular day off".

No dot = a normal shift.

6 Make it yours - and flag mistakes

Tap a shift to report an error · Tap your name for just your shifts · [View calendar](#)

Tap your NAME to highlight just your shifts.

Tap any SHIFT to report an error - add your email and a note; it goes to the manager and you get a copy. The moon/sun button switches dark or light mode.
